

South Dublin County Council Home Security Scheme 2016

Do you have a door with a multi-point locking strip? If so you are invited to apply to have your existing **front door** European Profile lock replaced with a high security cylinder lock free of charge.

Who can apply?

This scheme is specifically for older residents (55 years plus) of South Dublin County Council who may be vulnerable or living alone. Applicants must be living in privately owned accommodation. This scheme is not open to people living in private rented accommodation or to tenants of South Dublin County Council. Only one lock will be available per household.

What are the benefits of high security cylinder locks?

The locks that will be installed under this scheme make it virtually impossible for an intruder to bypass. They are:

- Anti-snap
- Anti-drill
- Anti-pick
- Anti-bump

How do I apply?

Please fill out your details on the other side of this form. You will receive a phone call from South Dublin County Council to confirm some information, you will then be contacted directly by the certified lock installer to arrange a time that suits you.

Please note there are a limited number of locks available and they will be allocated on a first come first served basis. The closing date for applications is Friday October 21st 2016.

Please return this form by October 21st, 2016 to:

Community Services Department, South Dublin County Council, County Hall, Tallaght, Dublin 24, D24YNN5

Or by email to comdevof@sdblincoco.ie
